Mission

To build community connections that support Latino/Latinx cultural preservation, nurture cultural identity and give voice to issues that impact the Latino//Latinx

Dear Community Partner,

Established in 2014, Latina Moms Connect (LMC) has been dedicated and celebrated for keeping communities, families, and children connected to our vibrant Latino/Latinx culture through rich programming that builds community connections, nurtures cultural identity, and gives voice to issues that affect the Latino/Latinx community. For ten years, Latina Moms Connect has proudly served as a bridge between culture and Latino/Latinx families and communities. In honor of this decade of work, we are excited to announce our upcoming event, **Carnaval En Familia Gala, Celebrating 10 Years of Connection, Culture, and Community.**

We invite you to join us as a sponsor in celebrating LMC's work and supporting its continued growth and work with Latino/x families. As a sponsor, you will gain prominent exposure to Latina Moms Connect's community of over 5000 members through our website, social media channels, email newsletters, and at the event itself. Additionally, you will have the opportunity to connect with local business owners prominent community leaders, and media professionals, as the evening will bring together community members across Long Island to celebrate LMC's work and honor the community partners who have made our work possible.

The Carnaval en Familia Gala will take place on February 29, 2024, from 6:30-10:30 p.m. at the exquisite Flowerfield venue on Long Island's North Shore. The evening will transport you to a tropical, cultural celebration like no other and will feature live entertainment, Latino/Latinx culinary experiences, and a silent auction.

By investing in Latina Moms Connect, your generous support will contribute to the success of our Gala and our ongoing efforts to promote cultural preservation, diversity, and community building. Through signature community-wide events, facilitated dialogues and charlas, and the leveraging of our Latina Moms Connect network, we have directly impacted over 1,500 individuals since 2020, while indirectly influencing the lives of countless others within the Latino/Latinx community.

Latina Moms Connect member JT. shares:

*"I found the experience to be calming and empowering. It brought me a sense of calm to be around a group of mothers that I can relate to and that can understand the nuances of being a Latina mother raising children on Long Island. I felt empowered to know that other mothers share similar struggles and in openly sharing these struggles we are also able to give each other support. It takes a village"*

Sponsors are essential to our success! Please review the enclosed sponsorship opportunities and consider sponsoring our dynamic organization and cause. If you have any questions or would like to discuss a sponsorship package, please contact us directly at [latinamomsconnect@gmail.com](mailto:latinamomsconnect@gmail.com) or 631-575-7505.

We appreciate your consideration, and look forward to hearing from you!

Sincerely,

LMC Gala Committee
